Our Mission

In Christian love, to provide crisis assistance to individuals and families with their physical, financial and emotional needs as an extension of the ministries of our congregations and to proactively partner clients and professionals in our community for continued education, working toward self sufficiency.

Who We Are

NESAP, Inc. is a Christian nonprofit organization, established in 1984 by local churches, that provides a helping hand to disadvantaged residents of Carroll County and portions of Baltimore County.

NESAP exists to help community members who are struggling to maintain independence, dignity and their ability to be productive in society. NESAP's programs offer financial, food and clothing assistance, as well as additional resources and referrals. NESAP networks with area churches and organizations to help clients find additional support they need.

NESAP functions independently, under its Board of Trustees, is funded by thrift store proceeds, donations and grants.
